

# Got Pain?

## Cartilage Regeneration is REAL!

**Stem Cell Carolina** is bridging the gap between nationally known centers of medical excellence and the general public. Utilizing HARVEST TECHNOLOGIES, your own stem cells are combined with the highest concentration of growth factors / PRP in the regenerative medicine industry to provide the optimal environment for soft tissue / cartilage healing.

You no longer have to be an elite athlete or travel to Harvard, Duke, Mayo, MD Anderson, or Cleveland Clinic to receive the best Stem Cell / PRP system in the country!
